Full Stack Developer with experience in JavaScript, Python, NodeJS, React, Redux, and SQL. I enjoy creating innovative solutions, improving system efficiency, and enhancing user experience. Capable of working independently and as part of a team, effectively communicating complex ideas.

Professional Experience

Front-end Developer - UltimaDevs

August 2024 - Present

- Developed and maintained interactive and responsive user interfaces for web applications.
- Collaborated with backend teams to integrate APIs and enhance the user experience.
- Implemented best practices in React to optimize code performance and modularity.
- Designed reusable components using Tailwind CSS or basic CSS to maintain visual consistency across the platform.
- Utilized Redux for global state management and optimized data flow in the application.
- Ensured accessibility and cross-browser compatibility in the developed solutions.
- Continuously improved the user experience through design iteration.

Technologies: React.js, React Native, Redux, Context, JavaScript (ES6+), Tailwind CSS, HTML5, CSS3, Git, REST APIs

Full Stack Developer - Freelance

Athlete Portfolio | April 2024

- Developed a web portfolio using JavaScript, React, and Tailwind CSS. The site includes updated statistics, skill features, a biographical profile, featured videos, and a photo gallery. This project provides a responsive design and intuitive user experience.

Technologies: React.js, JavaScript, Tailwind

Full Stack Mentor

Henry Bootcamp | May 2023 - July 2023

- Guided new students by assisting with their assignments and answering questions regarding the technological tools used in the field.
-

Additional Experience

Administrative Assistant

Instituto Superior General José de San Martín, Santa Fe, Argentina | Apr 2021 - Jan 2023

- Managed administration and collections to ensure outstanding payments were fulfilled. Additionally, maintained accurate and up-to-date financial records while collaborating with other departments to ensure efficient financial management for the smooth operation of the institution.
-
