Full Stack Developer with a background in Web Design. Experienced in working on projects using NodeJS, React, Redux, SQL, and other industry-related technologies. Possessing creative thinking, problem-solving abilities, teamwork, communication skills, and autonomy.

PROJECTS:

Full Stack Web Developer - <Ecommerce - ecoWise >

ago.23 - ago.23

Academic Experience: Henry Bootcamp

Development of a sustainable product e-commerce platform from inception to implementation. The project encompassed aspects of design, both frontend and backend development, including integrated third-party authentication, payment gateway (Mercado Pago), combined filters, Cloudinary integration, local storage, reviews, favorites, email notifications, soft deletion, new product creation, admin dashboard, display of content cards, routing, and the development of a relational database. This resulted in creating an attractive and user-friendly interface that emphasizes sustainability values.

Express.js • Sequelize.js • Node.js • PostgreSQL • React.js • Redux.js • Vite • JavaScript HTML • CSS • Tailwind

PROFESSIONAL EXPERIENCE:

Full Stack Henry Hero

may. 23 - jul. 23

Academic Experience: Henry Bootcamp

Guided new students by assisting them in solving assignments and addressing questions related to the technological tools used in the field.

OTHER EXPERIENCES:

Administrative

abr. 21 - ene. 23

Instituto Superior General Jose de San Martin, Santa Fe, Argentina.

Handled administration and collections for the institution, overseeing the financial process and ensuring compliance with outstanding payments. Responsibilities included generating invoices and statements, tracking and recording received payments, as well as proactively managing the collection of overdue debts through communication with parents, payment reminders, and, in some cases, implementing payment agreements. Additionally, maintained accurate and up-to-date financial records while collaborating with other departments to ensure efficient and appropriate financial management for the smooth operation of the institution.
